

To All,

On August 8th, 2011, Mondiv and Lassonde Specialties Inc. held their third annual Golf Classic at the beautiful Rosemere Golf Club. Our mission was to raise funds for the Peter Assaly Memorial Fund. Our initial vision was to have a very small tournament numbering 40-45 golfers consisting of customer, suppliers and a few employees from our company. As the years have passed that number has increased to 130 golfers with great success.

Present in support of our tournament from Lassonde Industries were Mr. Pierre Turner, Mr. Stefano Bertolli, Mr. Mario Boulay. As well, Mr. Bernard Belanger and Mr. Vito Monopoli were present to support us as well. Several V.P.'s and managers from all divisions were also in attendance for this great day.

Our initial goal for this year was to raise more than the previous years. We are happy to announce that we have yet again met our goal by raising **\$ 30,915.84.**

The golf committee as well as the Peter Assaly Memorial Fund committee would like to thank all suppliers, customers and staff that helped make this wonderful event a great success.

We hope to have another successful event next year and raise more money for a wonderful cause.
